1. Booker T and Rob Van Dam v

2. Batista and Ric Flair w Randy Orton

2v2 Tag

What definitely stood out here was the rather tentative action in the first half of this contest. Granted, it did seem to become more solid afterward, but the lacking form early set a bad tone from which this match had an uphill battle from which to recover. Liked the finishing series with Orton interfering, attacking Booker T's leg, which eventually led into a figure four from Flair, which then led into a five star frog splash on a grounded Flair. Mixed leaning downward.

Batista 1st loss in 6 outings

1. Chris Jericho v 2. Kane

Singles

The exchanges were of the highest note here. Liked the early leg targeting by both men early on, which led into a full on knee assault by Kane throughout the rest of the match, continuing off previous week's occurrences. The knee focus continued to be executed considerably well. Match takes a little hit in the rating because of the lack of balance, but what would normally be a greater loss is forgiven by virtue that Jericho's continued succumbing to his injury was the point here.

2Raw 2:55<sup>53</sup> 33 Mx-2-2-2

Incapacitation: InabilityToStand-Referee'sCall(Kane); Eff. action, steady on avg.

1. Trish Stratus and Victoria w Steven Richards v

2. Molly Holly and Jazz w Theodore Long

2v2 Tag

Match enjoyed some good execution between these four, particularly from Victoria and Holly whose strikes and moves seemed to pack a little more impact than from what is normally seen in a women's match. Match did not really kick on to the finish, but that did nothing to hurt this match; it only would have made it better. A healthy performance figure given the duration and one of the higher figures on the match tabs for all four.

3Raw 3:32<sup>95</sup> 40 2j-1s-2h-2h-1v-1v ↓2h

Widow'sPeak-Pin; Steadily, some good action, no kick.

Victoria 3 straight wins  
MlyHolly 4 straight losses

1. Shawn Michaels v 2. Chris Benoit

Singles

I said expect something good; forget that. See the pace line; forget that. So many good things over a nice duration. One would be hard pressed to day that both did not show fury throughout this one. Could have done without the Triple H distraction. Benoit gets his first loss on the year, but in a real gem. Nicely executed series throughout, a short series of referee counts, and a balanced offensive share. A triple digit and then some. After viewing this, was there any doubt whatsoever?

### Segment by Segment

<ul style="list-style-type: none"> <li>●TRIPLE H comes out to the ring, saying that he came straight from BISCHOFF, there asking who his WMXX opponent would be, but BISCHOFF had no answer; TRIPLE H says it is not good enough because he has BENOIT leaving SmackDown and having legal claim to face him, and that he also has MICHAELS, who superkicked BENOIT and signed the contract to face TRIPLE H; TRIPLE H cites WMX where YOKOZUNA defended the title twice in the same night, and lost; TRIPLE H says such will not happen at WMXX because it will be the greatest, then he demands that BISCHOFF come out and answer the question; BISCHOFF comes out and says he agrees with TRIPLE H'S assessment; TRIPLE H will hear nothing of the lawyers involved and wants an answer; BISCHOFF asks what if he cancelled MICHAELS v. BENOIT and replaced it with a title match tonight where TRIPLE H would have his choice who to face tonight, and then the winner of the match would defend at WMXX; BISCHOFF then seeks the crowd's approval, which he gets; TRIPLE H acknowledges the assessment, then says it is not a bad idea but that BISCHOFF mistook him for someone who cares what the fans think; TRIPLE H again demands an answer, but BENOIT interrupts; TRIPLE H says BENOIT is mad at the wrong guy as he did not superkick him; BENOIT tells TRIPLE H to shut up because this is about him and has only one thing to say; BENOIT then attacks TRIPLE H and the two collide; BENOIT subdues TRIPLE H with thecrippler crossface; the remainder of EVOLUTION comes out to aid TRIPLE H, but BENOIT escapes just in time.</li> <li>●Backstage, ORTON offers to find BENOIT and deliver him to TRIPLE H; TRIPLE H tells EVOLUTION to calm down because they have all night to get BENOIT; TRIPLE H then tells ORTON to go with BATISTA and FLAIR for their tag title match so nothing else goes wrong; ORTON then assures TRIPLE H that everything is under control.</li> <li>●President's Day homage: Franklin Delano Roosevelt: "The only thing we have to fear, is fear itself."</li> <li>●Video Recap: No Way Out, GOLDBERG hits a jackhammer on LESNAR but is arrested; during the main event, GOLDBERG returns to spear LESNAR.</li> <li>●AUSTIN remarks to BISCHOFF that he gave GOLDBERG a ticket and an order, but he speared LESNAR and SmackDown has a new champion and everything in line, but what does Raw have?; AUSTIN notes that TRIPLE H has two contenders for the title in MICHAELS and BENOIT, and he needs an opponent for WMXX; BISCHOFF says he will figure it out with time; AUSTIN gives him till the end of the night, BISCHOFF will have violated AUSTIN'S law, then AUSTIN will stomp a mudhole in him; BISCHOFF says AUSTIN is crystal clear on this; as BISCHOFF leaves the office, ORTON intercepts him and complains about his issues with FOLEY and that he started it and will finish it tonight by calling FOLEY out to the ring, regardless of whether or not BISCHOFF gives his permission; BISCHOFF says OK, but that it will be non-sanctioned; ORTON says tonight, FOLEY will not walk out of Bakersfield.</li> <li>●Backstage CHRISTIAN finds JERICO and asks about his match with KANE and wants to know why he is fighting him; JERICO says BISCHOFF is screwing with him because of his knee; CHRISTIAN affirms the damage to JERICO'S knee; JERICO says the match is made and he must fight but then asks CHRISTIAN for some advice from a trusted and best friend when he says he wants to be more than friends with STRATUS then asks his opinion on a rose as a belated Valentine's Day gift; CHRISTIAN says it is a bad idea, saying who knows if STRATUS does not like someone else; JERICO wants to know if CHRISTIAN has heard something to the effect; CHRISTIAN says he has not but would tell him, then tells him to focus on KANE; JERICO says he will take down KANE then tell STRATUS how he feels; JERICO gives CHRISTIAN the rose to hang on to for him.</li> <li>●Post 2Raw KANE continues the assault on JERICO, throwing him out of the ring, then carrying him into the ringpost; KANE tells JERICO that this should be a lesson to him or whoever has been playing the supernatural mind games with him; KANE also says that people are gullible to think the UNDERTAKER is behind it because he was buried alive, no longer exists to him, and is dead; KANE summons his pyro first time around, but the menacing video again shows accompanied with the eerie purple light; the video notes that only 27 days remain until the dead rise again at WMXX; then rain, thunder and fog envelope KANE as the haunting bell resounds.</li> <li>●President's Day homage: Ronald Reagan: "Mr. Gorbachev, tear down this wall."</li> <li>●ORTON comes out to the ring and addresses FOLEY'S challenge for WMXX; ORTON says it will not happen because it would not be fair as he is the IC Champion, 23 years old, and not even in the prime yet, but that FOLEY is a broken-down ego-blinded glory hog whose time is over; but ORTON says is FOLEY wants a fight, it is time to go and tonight FOLEY is not the hardcore legend, but ORTON'S "bitch"; FOLEY comes down to the ring and the two collide; it goes back and forth early on then FOLEY takes charge, hitting the double arm DDT; however, FLAIR and BATISTA come out and while FOLEY holds in own momentarily, a low blow from ORTON puts this in EVOLUTION'S control; a triple team beating ensues and ORTON hits the RKO; FOLEY is resolved and tries to get back up, but ORTON resumes the beating with his cohorts; a triple-team powerbomb downs FOLEY and ORTON tells him it is over and to stay down; ORTON is triumphant; FOLEY is eventually removed on a stretcher.</li> <li>●MICHAELS is preparing for his match when BENOIT finds him; BENOIT says MICHAELS has no idea what BENOIT wants to do to him but will as he will show MICHAELS the same respect he was shown last week; BENOIT has MICHAELS think about that.</li> <li>●KEIBLER and MISS JACKIE address BISCHOFF in his office; KEIBLER says he knows they should have been chosen for Playboy and that SABLE said it was because they had no class; KEIBLER says they could have outsold TORRIE WILSON and SABLE; BISCHOFF says if they can, Hugh Hefner would want to hear from them and tells them to call him up; AUSTIN enters the office and asks about the main event; BISCHOFF says he is working on it and has his hands full; AUSTIN says he needs a decision; BISCHOFF says he is figuring it out; AUSTIN brings up a statement from BISCHOFF on the Monday Night War DVD when he said he could whip VINCE MCMAHON; BISCHOFF says he remembers and thinks he can because MCMAHON has been beaten up by everyone, BISCHOFF is 20-25 years younger, and in a street fight, he has the karate thing going; unknown to BISCHOFF, MCMAHON is listening while BISCHOFF says he could win in any arena, even on a bad day; MCMAHON addresses BISCHOFF, saying he said it was on him if GOLDBERG showed at No Way Out but he has a reprieve because next week, MCMAHON will make a blockbuster announcement about WMXX in his wrestling gear then will call out BISCHOFF, then they will learn if BISCHOFF can beat him; AUSTIN reassures BISCHOFF that he still has the karate thing.</li> <li>●President's Day homage: John F. Kennedy: "Ask not what your country can do for you. Ask what you can do for your country."</li> <li>●Post 3Raw TEST attacks RICHARDS and VICTORIA; STRATUS tries to help them but TEST begins the attack on her too; before TEST can hit a powerbomb on STRATUS, CHRISTIAN comes out to save her; STRATUS appears somewhat confused at the whole thing.</li> <li>●Backstage STRATUS catches CHRISTIAN and thanks him for the save; STRATUS says she is going to see JERICO but CHRISTIAN says he is going too and offers her a ride; STRATUS accepts but CHRISTIAN first goes to get something: the rose JERICO was going to give her; CHRISTIAN gives it to STRATUS as a Valentine's Day gift; STRATUS accepts but still seems confused.</li> <li>●Video Recap: BENOIT wins the Rumble; AUSTIN tells MICHAELS to do something if he wants his shot; MICHAELS superkicks BENOIT and signs his WMXX contract.</li> <li>●Post 4Raw TRIPLE H seems to help MICHAELS up, but gives him the pedigree; AUSTIN comes out on the ATV and informs him that BISCHOFF has made a decision, and that for the first time, the championship will be decided at WMXX in a triple threat match between TRIPLE H, BENOIT, and MICHAELS; TRIPLE H is enraged.</li> </ul>	<p>Fun fact: The crossface, in Benoit-ese, has the following meanings:  (1) This will hurt you.  (2) You are screwed.  (3) Say hi to Mark Henry for me.</p> <p>Always planning ahead, that Triple H.</p> <p>You forgot the crossface, FDR. And now for some more pain. . . No looking up Austin's law for me tonight, I will just take his word for it. On another note, is not sanctioned code for OK, but it's not OK?</p> <p>Et tu, Christian?</p> <p>Doesn't seem so gullible anymore, does it Kane?</p> <p>No, no, it's Break Down the Walls. I guess Orton was right tonight about Foley not walking out. But he needs to remember, Foley always gets back up eventually, and that will be his undoing.</p> <p>I'm pretty sure he knows, Benoit. But reinforcement was a good idea here. That karate thing, Bischoff, I think it's time for some training with your sensei lest you risk getting annihilated next week. The issue with McMahon was good. But more complaining from the divas counterbalanced that.</p> <p>Can I take over my country? Little by little, he moves in further . . .</p> <p>. . . and when Jericho finds out, stand back, because Christian will be taken downtown to Chinatown.</p> <p>—</p> <p>Let the war commence!</p>	<p>+1.25</p> <p>0</p> <p>NR</p> <p>+0.25</p> <p>+0.5</p> <p>+1.0</p> <p>+0.5</p> <p>0</p> <p>NR</p> <p>+0.25</p> <p>+1.0</p> <p>—</p> <p>+0.25</p>

### Closing Notes

1. Absolutely love the Wrestlemania XX commercial with all the superstars talking about having the dream, the passion, and the sacrifice. "Where it all begins, again."
2. Like some of my colleagues, wondering if and when The Rock will surface to even Foley's odds with Evolution.
3. Right after that main event, I pulled the tab on that tape; it's truly a keeper. If I had the equipment, I would have transferred that to a DVD+R by now.
4. Focusing on the third and fourth matches tonight, did the strikes and execution seem to carry exceptionally more impact than we are used to, to anyone else?
5. Though it's like something out of a high school soap opera drama, I am eager to see Christian get his comeuppance for his actions. The rose idea piracy was just wrong.
