Closing Notes

I am no art critic (Thank God), but I truly liked that Guerrero-WMXX mural they showed tonight.
 Chavo rules the quotes of the night with: (1) "I don't suck... YOU suck." and (2) Chavo: "Who sucks now?" Crowd: "YOU!"
 On the note of Chavo Sr., anyone else find it funny when he told Eddie "I'm gonna be fair"? I found it hard to keep a straight face.
 With Lesnar, before us stood a truly broken man. I think he actually pulled that off well enough.
 Camera shot of the night was at the end of the show, which said it all: The championship belt, with its fallen owner right behind it.
